THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

VI. INVITATIONS

CH-EU-D YH:

Foreign athletes are invited by the Organising Committee through their NF.
One groom per athlete.

1. The World Breeding Championship for Young Horses in Dressage will be organised under FEI Rules with the support of the World Breeding Federation for Sport Horses. The selection procedure will be decided by the relevant National Federations in close cooperation with the WBFSH breeding organisation(s) in that respective country. The horses must have shown results of at least 68% in a selection procedure in appropriate Young Horse Classes at national level. The result has to be confirmed with the entry by the nominating NF. Horses are only allowed to take part in a selection procedure of one country and not more.
2. a) The general principle is that only NFs may nominate horses if there is a WBFSH member studbook within the country of that respective NF.
b) An exception to the rule 2.a) can be made for NFs, if
 - the athlete is an athlete with the nationality of that respective NF and
 - the horse is a horse of a WBFSH member studbook and owned by a person whose nationality is of the respective NFs country and
 - the (origin)studbook of the horse and the NF of that respective country, where the horse/athlete-combination is training, support the nomination.
3. a) The general principle is that NFs will enter horses that have a pedigree of a national studbook, which is a member of the WBFSH and whose seat is within the field of activity inside the respective NF.
b) An exception to the rule that horses have a pedigree of a studbook which is a member of the WBFSH and whose seat is within the field of activity inside the respective NF, can be made in 2015. NFs can apply for an exception in 2015, but only in close cooperation with the national WBFSH breeding organisation(s) within that respective country.
4. The number of horses which may be entered by NFs in each class (i.e. five and six year old) is as follows:
 - Germany 7
 - The Netherlands 6
 - Denmark 4
 - Sweden 4All other accredited NFs may enter up to two horses in each class, if there is a WBFSH member studbook within the country of that respective NF. All other accredited NFs may enter one horse in each class.
The age of Horses is counted from 1st January of the year of birth (1st August for Southern Hemisphere), i.e. in 2015 the following horses may participate:
5 year old horses, born in the Northern Hemisphere:
must have been born between 1st January 2010 and 31st December 2010
6 year old horse, , born in the Northern Hemisphere:
must have been born between 1st January 2009 and 31st December 2009
5 year old horses, born in the Southern Hemisphere:
must have been born between 1st August 2009 and 31st July 2010
6 year old horse, , born in the Southern Hemisphere:
must have been born between 1st August 2008 and 31st July 2009
5. As an exception to the FEI General Regulations, NFs may enter athletes of a different nationality provided the athlete's NF will give its approval. The combination of this exception with exception number 3 b) is not allowed.

6. Wildcards:

- NFs may apply for wildcards only for horses that are registered in member studbooks of the territory of the respective NF and are trained abroad, but only in close cooperation with the national WBFSH breeding organisation(s) within that respective country. These horses must have shown results of at least 75% in a selection procedure in accordance with 1.
- Exceptions to this rule will be considered for 2015 only for horses with a pedigree (showing at least three full generations) of a studbook, which has not been a member of the WBFSH and whose field of activity does not extend over a country in which already a WBFSH member exists. The exception will be made only once.
- The number of wildcards depends on the total number of horses entered - a max. number of 50 horses per age group will be admitted.
- Wildcards will be decided by the WBFSH and the FEI in close cooperation with the OC's NF and the OC.
- Wildcards will be assigned in the following proportions: GER max 3, NED max 2, and all other NFs max 1.
- Only wildcard requests from NFs will be considered; requests received from individuals will directly be refused.
- Wildcards will apply to specific horses only and will not be subject to substitution by NFs.
- Only the OC in close cooperation with the OC's NF and the FEI may allow substitutions.
- Wildcards cannot be assigned to horses that have taken part in national selection systems, unless the respective NF agrees.
- The final decision regarding wildcards and substitutions will be decided by the WBFSH and the FEI. No further appeal against this decision will be allowed.

7. In the Final competition of each class, no NF may have more horses than the number of places originally allocated excluding wildcards (i.e. GER 7, NED 6, DEN 4, SWE 4, other NFs 2).

8. Each athlete may start a maximum of two horses in each class including the Final competition in each age group.

All owners and athletes are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

The FEI insures all FEI Officials, whose names are published in the FEI Officials lists, against third party liability including Judges, Course Designers, Technical Delegates, FEI Stewards, FEI Veterinary Delegates, Para Classifiers, Members of the Judges' Supervisory Panel and FEI Coaches (FEI EADCMP Veterinarians are covered under a different policy):

The FEI will NOT insure:

- National officials officiating at FEI Events; and/or

The insurance extended is for any liability that the FEI Official incurs to a third party, and for the costs of defending any such claim arising as a result of actions undertaken by the FEI Official in good faith (including errors and omissions) on behalf of the FEI. However, the insurance for obvious reasons does not extend to any liabilities incurred as a result of an FEI Official's dishonest, fraudulent, malicious, and/or illegal act.

Should an FEI Official become aware of an incident that he or she believes might result in a claim, that FEI Official should notify the FEI immediately and provide all of the facts known to the FEI Official. The FEI cannot guarantee the insurance coverage described above in circumstances where the FEI Official has good cause to believe that there might be a claim and does not provide such timely notice directly to the FEI.

FEI Permitted Treating Veterinarians (PTVs) (Art VRs 1005) are to have adequate professional indemnity insurance.

LIABILITY

The organizer declines any liability for property or pecuniary damage which may happen to visitors, athletes, grooms and horse owners through slight negligence of the organizer, his delegates or his assistants.
